Dear Members, Guests and Renters:

The Club kindly ask you to help keep our pools beautiful!

1) Please cover your lounge chair or chair with a towel.

Suntan lotion discolors the chairs.

2) When leaving the pool area, please reposition all chairs and lounges to keep a neat appearance, remove all trash, and take your noodles home in order to keep our pools well kept.

3) Later in the day (Early Spring & Winter) please cover the spa : this will keep our propane cost down.

4) With everyone helping at the end of the day, our pools will always look nice and inviting,

Your help will be greatly appreciated by all.

The Board of Directors,
Bermuda Isles & Cays Swim & Racquet Club, Inc.
